Steps to Spiritual Renewal

Series: A Time to Build: Lessons from Nehemiah

Summary: The first myth is that the Bible is too confusing to read. In verses 1-8, we'll see that the Bible, instead of being confusing, is actually a book that you and I can comprehend – You can understand it!

Here are three that come to mind:

- It's too confusing to read • It's too boring to study • It's impossible to apply

I. You Can Understand It - Nehemiah 8:1

Ezra 7:10 Nehemiah 8:7-18

Misconception #1 is that the Bible is too confusing to read. verses 1-8 is that the Bible is designed to be understood.

4 hints to help you better comprehend the Word of God.

1) Be attentive during the preaching time. 2) Read the passage I will be speaking on during the week. 3) Bring your Bible and follow along. 4) Take notes.

II. You Can Rejoice In It.

Myth #2 is that the Bible is too boring to study. The truth of the matter is that you can rejoice in it! We see this in verses 9-12.

Jeremiah 15:16: Psalm 19:8, Philemon 6, Isaiah 44:22

III. You Can Obey It.

James 1:22-25

Matthew Henry, "Holy joy is oil to the wheels of our obedience."

3 action steps that will help you develop an application orientation to the Word of God. 1) Pray and ask God for personal transformation as you read and understand the Bible. 2) Avoid the temptation to just "study" the Bible, compiling information as if that's the only goal. 3) Ask someone to help hold you accountable.

Two Invitations: 1) Proclamation and preaching of the Word, 2) Responsive mobilization of God's people

Psalm 85:6 "Wilt thou not revive us again: that thy people may rejoice in thee?"
